Bathurst – CT Champion has been identified and we are waiting on the approval of the 2nd ACOA project before we reach out to the City of Bathurst.

8 Cities of NB conference that was scheduled for Oct 1 has been postponed. There is a Board Meeting in December, we may present to the board which is made up of all the Cities' mayors.

CT Team has entered the UNB Data Viz competition and are working on the results from a K-12 student survey on mental health.

ACOA Projects – CT Support & Building a community framework for digital and social innovation (ACOA & RDC) are on hold until a new ACOA minister has been appointed.

NPO Data Collaboration Project:

We have started to look at ways to standardize organizational intake forms. For those who use google drive and are interested in digitizing their intake forms, we are researching the privacy required.

We created a mid-project report. Please find it attached to the email. Here is an overview:

- Extensive engagement, mapping and analysis of 21 NPOs' data collection processes and data usage
- Organizations' self-evaluation using Data Orchard
- Data collection standard/parameters recommended
- Coordination of granting application forms used by the United Way & Fredericton Community Foundation
- Environmental scan and analysis on a number of commercial intake tools
- Creation of V1 of the Community Prosperity Hub based on the United Nations Sustainable Development Goals.
- Creation and launch of V1 Data Collaboration Toolkit

Housing

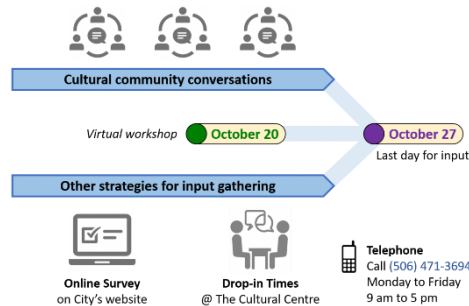

12 Neighbours project – Marcel has hired Steve Patterson – We have been working with him to get 12 Neighbours set up on connectfredericton.ca to help manage their volunteers. Zoning changes have been approved by PAC & more recently City Council.

POSTPONED - Fredericton Housing Summit – As mentioned in last month's report GFSI is working with The Phoenix Learning Centre, and the to-be Sara Burns Community Outreach Centre (SBCOC) to organize the Housing Summit. You can register here: <https://bit.ly/3twqcWx>
