

What's YOUR Legacy?

United Way
Centraide
Central New Brunswick
Région du centre du N.-B.

We have worked very hard at recruiting interested and engaged Board members with the maturity and range of expertise required to shape a strong and effective Board. Not only was participation in this initiative easy for us but the matches themselves were excellent. The three will enrich our Board yet they are people we would have not had access to without "What's Your Legacy?".

So, again, thank you!

Ella Allen, President, Board of Directors, Fredericton Homeless
